We provide a free community service, free pickup of specific non-traditional recyclables to a limited area in and surrounding Pensacola, Florida. We recycle all the plastic-foil type bags such as the vacuum packed coffee is packaged in. We also accept the woven plastic material such as pet food, horse feed, laying hen mix, bird seed, and other such products are packaged in. The upcycled items we make become a revenue source to support our recycling efforts. We also provide free classes for Church groups and some other Non-profit organizations.
