

Maggie's Corner is about learning to live a more sustainable lifestyle. We are about sharing information with the public to bring together like minded folks who enjoy sustainable living ideas, crafting, sewing, recycling, and re-purposing. We also offer classes, patterns and materials. Some classes are free for non-profit purposes.

Maggie's Corner space at Green Up Nursery in Milton FL

I have been busy making items for the space at the shop at Green Up Nursery, stocking shelves, and waiting for grand opening announcement. Can't wait til Grand Opening!

John Tonkin at Green Up Nursery on Park Av in Milton said they are planning for a grand opening for The Shop at Green Up Nursery probably in September. You can still go by there anytime they are open and see Maggie's Corner and other vendor's wares. You can also buy the items too! Just ask someone outside for the sales clerk if there isn't anyone inside the shop when you stop by.

If you are in Milton drop by and check out the nursery and the shop.
