

Maggie's Corner is about learning to live a more sustainable lifestyle. We are about sharing information with the public to bring together like minded folks who enjoy sustainable living ideas, crafting, sewing, recycling, and re-purposing. We also offer classes, patterns and materials. Some classes are free for non-profit purposes.

OUR FEATURED STORE

Ever'man Natural Foods Cooperative

THANK YOU FOR YOUR SUPPORT PARTICIPATING IN MAGGIE'S CORNER RECYCLING PROGRAM

Ever'man received approval from the Architectural Review Board to move forward with the expansion! They have worked with local architects, Bullock Tice Associates, Inc. to develop a community-friendly design that will enlarge the current building at 315 W. Garden Street, create an outdoor green space, and transform the vacant building just south of the store into a modern educational community center.

"As the only full-service grocer downtown, we want to better serve our members and the surrounding community. We began planning this expansion in 2011 so it's very exciting to be able to move forward with the project." stated William Rolfs, the General Manager of Ever'man Natural Foods.
